

ABOUT TOBB GROUP

We specialize in building, tiling, painting, electrical maintenance, ceiling installation, plastering, rhino plastering, all renovations and property development. Our staff are professional in this construction department.

BUILDING

Our aim is to build beautiful homes. No project is too big or too small, we promise only the best for our clients.

PAINTING

We provide quality professional painting services that meet modern standards

TILING

We complete the design of tiles that fit your home perfectly

Renovations

From a DIY project to a major renovation makeover, remodelling anything in your house with ease

CEILING INSTALLATIONS

We provide ceiling installation on a range of roof and ceiling upgrades.

LIGHTING

No matter if it's in a room, office or outdoor area. We have experience in lighting design as well as installation.

Property development

We provide a range of commercial *property* skills to our clients.

EMERGENCY ELECTRICIAN

Call Tobb Group on +27 81 482 7941 and we will arrange an onsite visit as soon as possible.

OUR AIM

To provide the best quality service to our clients at an affordable rate, building homes not just houses, turning buildings to signature construction works

Get In Touch

With a vast range of products to choose from, quotations can be tailored to suit each individual client. We offer budget calculation services for larger projects. We offer a product and workmanship guarantee at no additional charge.
